Student Complaint Procedure

The Board recognizes the necessity for each school to develop and maintain an orderly procedure for resolving student complaints. The building principal shall involve staff and students in establishing procedures which fairly and quickly resolve student complaints. If the concerned parties cannot resolve a conflict, the following complaint procedure should be followed:

1. Written appeal to the building assistant principal;
2. Written appeal to the principal or designee when step one (1) does not resolve the complaint;
3. Written appeal to the executive director when step two (2) does not resolve the complaint;
4. Written appeal to the school board when step three (3) does not solve the complaint.

It is the purpose of appeals and hearings to provide access to appropriate school officials when an informal conference cannot resolve the complaint. It is not the purpose of appeals and hearings to provide a forum through which non-related issues are conveyed. It is expected that as many student complaints as possible be handled through informal conferences.
