

Kids Unlimited Academy Athletics Player Contract

Player Responsibilities:

- **Keep up with your school work.** As a **student-athlete**, you are a **student** first. Academics are always the first priority of a student athlete. Coaches may require a player to sit out of practice and/or games if schoolwork falls behind.
- **Be responsible.** It is your responsibility to check-in with each one of your teachers regularly throughout the week. If you know you are going to miss a class for a game, you must speak to your teachers about missing work **at least 2 days in advance**. Do not wait till the last minute. Do not return to class, after having missed a day, unprepared. Know what you're going to need to make up ahead of time.
- **Respect others.** Remember your teachers, coaches and teammates are working with you, not against you.
- **Conduct yourself in an appropriate and respectful manner at all times.** Student athletes are expected to follow the school code of conduct at all times: be safe, be respectful, be responsible, be a problem solver.
- **Grade checks.** In order to be eligible to play, you are required to be passing all your classes. Stay on top of your work, communicate with your teachers, and find a time to meet with them to go over your grades every two weeks.
